

Red Carpet Landscaping is continuing to lead the industry and our PRICE MATCH GUARANTEE PROVES IT!

Red Carpet Landscaping of Westchester and Fairfield County has made it a goal to distinguish ourselves from competing companies through our tireless commitment to you, the customer.

Red Carpet Landscaping will back up these strong promises by offering our PRICE MATCH PROMISE! If the price on this letter is not the lowest price we will MATCH Any REASONABLE PRICE AND TAKE ANOTHER 10% OFF.*

Our extraordinary office staff, answer our phones during business hours, and they will answer any question you may have. If you request a call from a route manager, expect to be called that day. If you call to request a personal consultation on your property we will inspect your lawn by your side in 48 hours at the latest – in most cases this will occur within 24 hours. We never give the customer hasty overviews of the intricate procedures we practice to achieve that perfect weed free green lawn: we explain every detail, offer a solution, and treat or make recommendations for any issue you may have.

Additional Bonus Try our Tick Control Program and take 50% off the 1st treatment of the 5 step program.

Red Carpet Landscaping's Tick Control Program helps protect your family and pets by treating the entire yard. While no product will totally eradicate pests, our Tick Control Program will substantially reduce pest populations and greatly minimize the likelihood of infestations. Due to the probability of re-infestation from annoying pests like mosquitos and ticks, multiple applications are usually necessary. Our five treatment program is designed to coincide with various stages of the insect's life cycle. Applications are scheduled at peak times, in an effort to achieve optimum results on your property.

Give Red Carpet Landscaping a try! Sign up now and receive a **free Core Aeration** with you Lawn Care program and **a extra 5% off** if you prepay for the year.

* Red Carpet Landscaping has the right to refuse any unreasonable price match*
