

# Buck Off!

**DEER AND ANIMAL REPELLENT**

Scientifically formulated to protect your plants from deer and rabbit browsing pressure.

## NOT FOR USE ON FOOD CROPS

**COVERAGE:** 1 gallon concentrate treats 8000 sq ft of foliage

### ACTIVE INGREDIENTS:

Putrescent whole egg solids . . . . . 11.7%

Potassium Sorbate . . . . . 0.5%

**OTHER INGREDIENTS:** Vinegar, Soybean Oil, Water

**40 CFR STATEMENT:** The active ingredients in this product are listed by the EPA as minimum risk pesticide products and are exempt from registration under Section 25(b) of FIFRA.

## KEEP OUT OF REACH OF CHILDREN

In case of eye contact or prolonged skin exposure, flush with water for 15 minutes. Call physician. If swallowed seek immediate medical attention.

**APPLICATION RATE:** Shake concentrate well prior to mixing. Mix 1 oz of concentrate to 8 oz of water. This 1-gallon container of concentrate will treat 8000 sq ft of foliage and give you protection for 30+ days.

**DIRECTIONS FOR USE:** Shake well before using. This product may be used to repel deer and other grazing animals from browsing on plants, flowers, bulbs, non-bearing food crops, hedges, shrubs and trees year round. Cover entire foliage with a fine mist from at least 8 inches. It is not required to spray the plant to runoff. One application lasts a minimum of 30 days. Normal rainfall does not affect efficacy; however, significant rainfall may require reapplication. **You must spray all new growth on the plant for protection.**

**STORAGE AND DISPOSAL:** Store unused product in an area out of reach of children. Do not store in areas where temperature exceeds 100 degrees Fahrenheit. Do not freeze. Do not reuse container. Wrap and discard empty container in trash or offer for recycling where available.

**SHAKE WELL BEFORE USING**  
**DO NOT FREEZE**
